

Studio For Sale The Hub

Property Description

The Hub is a new development in Gibraltar, a new concept in residential accommodation. Situated in Gibraltar's up and coming Eastside, The Hub is a new development that is at the forefront of investment in the revitalisation of an entire district on the Rock.

The Hub is a development of 143 self-contained studio apartments for sale located delightfully close to some of Gibraltar's best beaches and conveniently within an easy drive from Gibraltar International Airport and the land border with Spain.

Each apartment at The Hub includes a fully equipped kitchen and bathroom, plus a pull-down or sofa bed arrangement. The Hub encapsulates - for the first time in a modern complex in Gibraltar - the concept of shared living space. At The Hub, residents will be able to share facilities including TV and games rooms among other social spaces, a shared laundry facility and a residents' gymnasium. This makes the apartments at The Hub an ideal opportunity for a young professional to buy a first property, or for professionals travelling regularly to Gibraltar for business to buy a useful pied-à-terre apartment.
